**ROMEO
Program**

1st. Systemic Resistance Inducer based on nonliving microbial

Low dose rate

Multi-targets: effective against multiple foliar fungal diseases

Helps in **resistance management** and **increase overall efficacy**

Easy to integrate/tank mix in plant protection program

No Residu

4h REI / 0 PHI

Cost-effective product for growers

Can be used in **organic farming**

Long shelf life
No specific storage condition

The division dedicated to plant protection, stimulation
and nutrition

A central graphic featuring the text "BUILT on TRUST" in a bold, white, sans-serif font. The word "BUILT" is on the top line, "on" is smaller and positioned to the right of "BUILT", and "TRUST" is on the bottom line. The text is enclosed within a white, rounded rectangular border that has a slight 3D effect. The background of the graphic is a soft, blurred green and yellow gradient.
